

COLORADO ASSOCIATION OF REALTORS®
Student Enrollment Application
ONE enrollment form is required for EACH class / EACH student.

Policies: Please carefully read the following school policies. These policies apply to any class offered by the Colorado Association of REALTORS® (CAR):

- All students must be in class within 15 minutes of the class starting time in order to receive continuing education (CE) credit. Late arrivals may attend the course, with the understanding that they will not receive CE credit.
- Students must attend the full class and achieve 70% or better on any exams to receive credit. If a student fails, he/she will receive information about how to retake the exam.
- Within 10-14 business days after the course, all students receiving credit will receive a Certificate of Completion via email. This certificate must be kept on file by the real estate licensee as proof of successful completion of, and credit for, the course. The Colorado Real Estate Commission (CREC) randomly audits licensees annually. Credit will be applied to student education history after payment has been made. A valid email address must be provided for certificates.

Notice: Courses are open to both members and non-members of CAR; however, a non-REALTOR® member will not receive credits toward or qualify for designations offered to REALTORS® by CAR or the National Association of REALTORS® (N.A.R.).

Refunds: If the course is cancelled, or the student withdraws at least 5 days prior to the course, a full refund will be issued. Cancellation within 5 days of the course will result in a refund of the tuition less a 25% cancellation charge. If the student fails to appear for class or fails to cancel, no refund will be issued. Tuition cannot be transferred to a future course or event. Any refund due to the student will be issued within 30 days of cancellation, subject to receipt of a written request.
